The Elderly

Woodsdale Elementary

It is important to help the elderly because they cannot do all of the things we can do. My mom signed me up to volunteer. I love to help no matter what. The elderly needs my help and faith for a better life for themselves. I can help by cooking and by interacting with them. Just because I am small does not mean I cannot do big things. For the sick, I can cook, pray, or read. My grandmother lives in a nice nursing home. I only get to see her every two months because she lives in North Carolina. But, I love her with all my heart. I read to her and bring her butterscotch candies. I like to ask her questions like what was it like in her childhood? She replies, "It was very hard!" I feel the sick and elderly need us. You never know if they are not healthy or safe. I am going to make a change in our community. Sometimes we need to think about others before we think about ourselves. How would you feel? Visit a nursing home. Let us do this together. Heart to Heart!
